Some Good News From Beirut & Lutheran World Relief'

Three 40-foot shipping containers filled with thousands of mission quilts and school, personal, and baby care kits, which were reported as destroyed in the August 4 explosions at the port of Beirut, Lebanon, have been found intact.

It took several weeks for Lutheran World Relief's partner to gain access to the port area where the containers were stored. While some of our partners' shipping containers were heavily damaged, it appears that the three containers containing the quilts and kits were stored behind a concrete block building, a spot that protected them from the blast.

The quilts and kits have been transferred to a warehouse, from where they will be distributed to refugees living in Lebanon, principally from Syria and the Palestinian territories.

In addition to distributing the quilts and kits, Lutheran World Relief is also working to address immense shelter needs in the wake of the explosion, helping poorer families to repair and return to their homes. For more information or to donate: lwr.org/Beirut

St John Fall Festival 2020

We have chosen to not have our annual Fall Festival this year for everybody's safety. Instead we are doing a TOWER of SOUPS.

We will be collecting cans of soups and non-perishable soup-making ingredients in a basket in Trinity Hall. Donations will go to the Neighborhood Service Ctr.

Please drop off your donations prior to October 31.

Please note this is different from the St. John Food Drive that we also do in October.

Thank you in advance for your generosity.

Ladies –

Wondering how to access the videos done by the author that go with our current Gather Magazine Bible Study on Holy Time?

Here you go:

To get the most out of these short, 6-8 minute videos, it's best to work through the Bible Study first. There are several videos for each month's Bible Study. They are available a few day after the beginning of each month.

Once you're ready, you can access the video in 2 ways:

- Search YouTube for "Gather Magazine October 2020 Bible Study." For part one of October, select the video that is 5:55 minutes long. The rest should follow automatically.

Google: gathermagazine.org, click on "Publications" on the top menu of the Gather home page, then click on "Resources", and finally click on the Holy Time Bible Study by Meghan Johnston Aelabouni.

I hope you take advantage of this resource – it's a neat addition to the study. I watched them successfully on my Android Tablet, so any computer, tablet, or smart phone should work.
